THIRTY YEAR REUNION
JUNE 28, 2008**

*You would measure time the measureless and the immeasurable.
You would adjust your conduct and even direct the course of your
spirit according to hours and seasons.
Of time you would make a stream upon whose bank you would sit and
watch its flowing.
Yet the timeless in you is aware of life's timelessness.
And knows that yesterday is but today's memory and tomorrow is
today's dream...
But if in thought you must measure time into seasons, let each
season encircle all the other seasons,
And let today embrace the past with remembrance and the future
with longing.*

*THE PROPHET
Kahlil Gibran*
